I could do Monday at 8 am or 9:30 – would either of those work? Tuesday it would have to be after 11 am.

Thanks

Hi Darcy,

Good luck with the state director's meeting – unfortunately Friday afternoon will not work for me. I am back in Asia.

Would early Monday or Tuesday morning MST work? I could also do late afternoon on Monday or Tuesday MST if preferred.

Thanks,  
Blake

I am in a state director's meeting today and tomorrow. I'm available early afternoon on Friday – between 1 and 3:30. Is there a time in that window that would work?

Darcy,

We were very pleased to see the second draft permits come out last week and many thanks to you and your team to getting these done. Would it be possible to have a brief discussion this week as soon as you are available?

Thanks.

John
